

EVALUATION AND LEARNING PARTNERSHIPS

How do you embed learning alongside evaluation?

Developmental evaluation

- Shaping programme development
- Embedded
- Flexible and responsive

Capability-building

- Building MEL skills
- Improving evaluability
- Understanding the 'how'

Knowledge sharing / facilitation

- Explore findings
- Collaborative decisions

How can we improve how we design learning partnerships to improve the impact of evaluation?

- **What?**
- **So what?**
- **Now what?**

THANK YOU
